### About Tradegate Exchange

Tradegate Exchange is a stock exchange specialising in executing private investors' orders. Over 30 trading participants from Germany, Austria, France and the United Kingdom are currently connected and offer access to their customers from their own country and abroad. Around 3,800 equities, 1,700 ETPs, 1,700 bonds and 2,100 investment funds can be traded. Orders are usually executed in full. Tradegate Exchange does not charge any transaction fees. Tradegate provides investors with a continuous overview of what is happening on the market: real-time prices are available for the DAX, MDAX, SDAX and TecDAX indices and can also be accessed by smartphone using the Tradegate app. The app is free and has been downloaded more than 50,000 times. In January 2010 Tradegate Exchange was set up as a regulated market as defined in the MiFID. Managing directors are Thorsten Commichau and Oliver Szabries. Deutsche Börse AG has a 75 percent interest plus 1 share in Tradegate Exchange GmbH, the stock exchange operator of Tradegate Exchange. [www.tradegate.de](http://www.tradegate.de)
